The proprietors of the Eckford Line would particularly call the attention of the Merchants of Wisconsin, Illinois, and other Western and South-western States to the superior facilities of their line for transportation to, and from, the ports on the Upper Lakes. The above line of Steamboats runs direct to our Dock at Buffalo, and all goods contracted by this line for the Upper Lakes will be shipped (unless otherwise ordered or contracted) by *Steamboats*, (not Propellers) with but one, or possibly two exceptions. The Eckford is the only Line not interested in, or committed to, a Propeller Upper Lake Line; and in endeavoring to sustain a line of *Steamboats* on that route, the Proprietors hope to receive the support and patronage of the Merchants of the Western States, when interest demands the continuance of a line of such a class of Boats. Boats leave New York and Buffalo daily.

THE undersigned would respectfully solicit the attention of dealers in and consumers of Coal in Milwaukee to our Card, as above. The Bolivar Coal is unsurpassed, being superior to any other mined in Ohio, for Grates, Blacksmithing, Machinery, or Domestic purposes; and for steam purposes, is superior to any except Brier Hill. It is peculiarly well adapted to Shipping, as its extreme hardness renders it capable of bearing any amount of handling, without waste. It can be afforded considerably cheaper than Brier Hill, and for most purposes is better.

It is our wish to introduce the article, and we respectfully solicit orders, confident that a trial is only necessary to convince any of the truth of the above assertion.

Citizens of Milwaukee and vicinity, to be convinced of the truth of my assertion, and have their Horses properly attended to, so as not be maimed, interfere, &c. had better call and examine for themselves, for they will have their work done as I say, and at 31 per set for Plain Shoes; Extra Shoes $1,25; Bar Shoes $1,00 per pair; Sandals $2,50 per pair; and all other work to suit the times. THE subscribers, thankful for past favors, beg leave to announce that they have recently added the FOUNDRY business to their former occupation of Mill Stone manufacturing, and are now prepared to supply the public with articles in either branch, on terms that will defy competition.

In offering our Stoves to the community, we do so with the full assurance that we can supply better articles than can be purchased at any other place, being entirely new patterns, manufactured with care and from the very best materials. The following list of patterns is offered with the confidence that they will give satisfaction in every particular, viz:

THE ECONOMIST
DOUBLE OVEN COOKING STOVE,
(Which received the First Premium at the State Fair, lately held at Janesville,)

Possesses great advantages over every other stove, for plain flues and direct application of heat, being so arranged that one or both ovens can be used at pleasure. It will cook in half the time of any other stove now in use, and with half the fuel, not consuming over four cords of wood in one year.

The TRIUMPH, single oven, takes in long wood, is an excellent stove—one that has been well tested, and given general satisfaction.

The PREMIUM is different in its construction from any other made, in the arrangement of the fire back—acknowledged to be a great improvement.

The JUNO PARLOR is adapted to either wood or coal, being decidedly the neatest arrangement ever offered to the public, having all the convenience of the stove combined with the beauties of the open grate. It is beautifully ornamental, highly finished, and perfect in every respect—the entire front above and below the grate being opened or closed with three doors, and so arranged that when open they are completely out of sight. It is equally adapted to offices as well as parlors.

The RADIATOR is the best coal stove ever got up as a retainer of heat.

Persons purchasing their stoves of us, in the event of any of the plates getting broke, can at all times be supplied with extra ones, thus superceding the necessity of throwing away stoves, which many are daily compelled to do in buying Eastern Ware.

Those who are in want of an article in our line, will find it to their advantage to give us a call, before purchasing elsewhere, as we are confident that we can give satisfaction in all cases. City references given, where our stoves can be seen in operation. Stoves delivered and set up in any part of the city, free of charge. All orders promptly attended to.

"England may rely upon GEN. PIERCE for effectual co-operation.—*Manchester (England) Examiner.*

"*The primary question for the United States in the election, as it is for ourselves in the electoral contests of this week, is the national sanction, and inviolable establishment of Free Trade. The triumph of the candidate of the Democratic party, brought forward by the men of the South, will secure, probably for ever, the ascendency of liberal commercial principles. In this respect, and on this point, we take Gen. Pierce to be a fair representative of the opinions of Mr. Calhoun, and, as such, a valuable practical ally to the commercial policy of the country. Gen. Pierce has our best wishes for his success.*"—*London* (England) *Times, July 6, 1852.*

We may possibly live to see the day when the chief produce of Ireland will be cattle, and English and Scotch the majority of her population. The nine or ten millions of Irish, who by that time will have settled in the United States, cannot be less friendly to England, and will certainly be much better customers to her than they now are.*"—*London Times.*

A strict construction and respect for the constitution is the Median law of the Democratic party, and Mr. Pierce, besides that general reason, *is bound by every idea of consistency, and by every fact of his past career, to veto every bill like this.* He will do it, if they are presented to him, JUST AS SURELY AS THERE IS A SUN IN THE SKY."—*Richmond Examiner*, River and Harbor Bill.

The Independent Judicial Ticket.

The extracts we have published, within the last fortnight, from our contemporaries of the Wisconsin press, Whig, Democratic and Free Soil, renders it very evident that the candidates recommended to the suffrages of the People, by the Independent Judicial Convention, are well received and will be warmly supported in all parts and by all parties of this State. With the single exception of the Madison *Democrat*, so far, at least, as our observation has extended, the nomination of EDWARD V. WHITON is *universally* well spoken of and his election conceded to be certain. We believe, ourselves, that there can be no doubt on this point; and yet the mere *possibility* of his being defeated ought to stimulate every friend of an able, honest and Independent Judiciary, to make such efforts as shall place the result beyond a peradventure. As to the candidates for Associate Justices, there is more difference of opinion and greater doubt about the result, tho' judging from the tone of the public press, there is a very decided preponderance in favor of the Independent Candidates. One of these, MR. MARSHALL M. STRONG, is as well and widely known throughout the State as Chief Justice WHITON. He is, as all concede, admirably fitted, by education, experience and the natural bent of his mind, for the Judicial Office. His character and habits are unexceptionable and no man doubts that he would make an able and upright Judge. Well and truly was it said of Messrs. WHITON and STRONG, by the Sheboygan *Journal*, a leading Democratic paper:

Much that we have said of Judge Whiton is true of Hon. M. M. Strong, who is nominated for [illegible]sociate Justice. Both are pure and able men. If elected, the people may be assured [illegible] the scales of Justice will be regulated by [illegible] clear heads and steady hands, and that the Judicial ermine will be held as high as the heav[illegible]ens above the contamination of partizan influe[illegible]nce, and the dirt and filth of the political arena.

The thi[illegible] candidate on the Independent ticket, Mr. JAMES H. KNOWLTON, of Lafayette, is less known in the Eastern portion of our State. In the West, however, where he resides, he stands well. His nomination was warmly urged by the Western Delegates in the Independent Convention, as one not only "fit to be made," but decidedly preferable to that of Mr. CRAWFORD.—And the manner in which the Western press responds to his nomination leaves no room to doubt that it is an acceptable one to the People.

But aside from the admitted fact that the Independent ticket is very much superior, in point of ability, character and experience, to the regular party nominations, there is another consideration which should secure to the former the general support of the People. The chief claim of the party nominees to the popular suffrages is founded upon *political* considerations. They are presented as the "regular" party candidates. Their party services and standing are much dwelt upon. The party machinery is all put in motion to secure their success, and great damage to the party is predicted in case of their defeat. Indeed, to guard more effectually against such a chance for the future, the Convention which nominated these gentlemen, made an onslaught upon the Constitution and threaten so to amend it as to hold our Political and Judicial elections hereafter at one and the same time. Are the People of Wisconsin prepared to endorse this change? Do they desire to see our Judicial elections transformed into mere political contests? Do they believe that partizan considerations ought to control the selection of Judges? Heretofore their voice has been raised and their votes cast *against* party nominations for Judicial Offices. In seven, out of the eight elections held in this State, since its organization, the Independent Candidates for the Bench have been successful. Shall the rule of action, thus established by THE PEOPLE themselves, be changed at the bidding of party leaders? Are the electors of this State in favor of an INDEPENDENT, or a PARTY BENCH? Let them make answer on Monday, September 27th!

THOSE CORN LAWS.—The *News* labored Saturday through a full column to prove—what?—Why, that the laws advocated by the friends of protection in England, raised the price of breadstuffs! Much obliged to the *News* for doing the cause such good service. Our Whig friends understand all this very well now, but it is not often that the doctrine is given to the "regular democracy" so clearly. Times are mending.

The *News* cant help using a little of the old claptrap about "lordly monopolists." Somehow, it dont exactly understand how the same cause which raises the price of the "lordly monopolists" 5 or 1000 bushels of wheat, does the same thing for the man who only raises 500 bushels. Nor does our neighbor yet see the truth of the fact that when the farmer is well paid, *all* branches of industry prosper. The *News* has years before it, we hope, in which to attain, by perseverance, to this astonishing pitch of knowledge.

MISS JULIA DEAN.—The favorite Western Actress is beginning to be appreciated at the East.—Her recent brief engagement in New York was a triumph. The papers all speak very highly of her and the Evening *Mirror* grows enthusiastic over the subject. We copy the *Mirror's* flattering notice:

THE STAR OF THE WEST.—Miss Julia Dean's performance of the part of *Parthenia*, in the sterling tragedy of "Ingomar," at the Broadway theatre, on Saturday evening, was one of the finest pieces of acting we have ever witnessed. We write the words deliberately and sincerely; and do not hesitate to add that Miss Dean has no equal, as a *tragedienne*, upon the American stage. In figure, face, and voice, she is almost faultless; while her gestures, movements, and attitudes are dignified, graceful, and picturesque. But what is still better, every look and tone indicates a high susceptibility of poetic beauty, and a complete identification of the actress with the part assumed.—She dresses, too, both her hair and her person, "like a picture;" and, as the dutiful and devoted Greek girl,—devoted equally to her father, her lover, her country, and her gods, she was all that eye and ear, and heart could wish.

In the representation of the "horrible terible," Miss Dean, of course, could not approach Miss Cushman's monstrous personation of "Meg Merriles;" and in certain hyacinthine parts, in which, like Juliet's, the soul exhales in sweet excess, Mrs. Mowatt's tones may be more tender and touching than Miss Dean's. But in all the essential elements of a great actress; in the union of strength and gentleness; passionate impulse and girlish simplicity; in naturalness, archness, and the *tout ensemble* that constitutes what the critics term *effectiveness*, Miss Dean outranks all her American competitors; and even in London, notwithstanding the *fiasco* of Buchanan, our "Star of the West" would suffer no eclipse from metropolitan favorites.

Of Miss Dean's antecedents we know nothing, except the raptures we have read in the Western papers, which rather injured than benefited her reception in the Eastern cities. We only regret that her engagement at the theatre, which has been so successful, should end in a single week. The sooner Mr. Marshall re-engages her, the better will it be for his treasury. The New York public are just beginning to appreciate this wild flower of the prairie, and the longer she played the more she would be admired.—Her benefit on Saturday evening was a bumper.

GREECE.—The *Courier d'Athenes*, of the 9th announces the arrival at Athens of Mr. Marsh, from Constantinople, and his having obtained an interview with the Queen Regent respecting the case of Dr. King. Another account says: [no date given.] "The American squadron left the Piraeus after Mr. Marsh had taken posession of the documents relative to Mr. King's case. The squadron is supposed to be on its way to Trieste."

THE WEBSTER MOVEMENT.—The Buffalo Commercial *Advertiser*, in an article upon the prospects of the Whigs in various States, has the following concerning Massachusetts. There is a great deal of truth in it:—

The Webster movement if persevered in, can but carry a small portion off the usual majority, and will be scarcely noticeable in the result; for it will draw out thousands of votes for Scott and Graham, which otherwise in the consciousness of an easy triumph, would not have been cast at all. And so old Massachusetts—"there she is"—and there she *will be*, thoroughly and indisputably, whig.

SIGNS IN OHIO.—Cincinnati papers of Saturday week contain accounts of an attempted PIERCE & KING rally" in the 15th Ward of that city the evening previous. Two leading "democrats," were successively called to the chair, but each one respectfully declined, stating that although they were sound democrats they *intended to vote* for SCOTT AND GRAHAM!

The meeting shortly adjourned without making any further attempt to organize.

JENNY LIND AND BARNUM.—A correspondent of the *Musical World* states that he has recently seen the account current between Jenny Lind and Barnum. Leaving out the odd cents, the footings are as follows:

Jenny Lind - - - -	$302,000
P. T. Barnum - - - -	308,000
Total. - - -	$610,000

BREAKING RANKS!—A correspondent of the *Free Democrat* writes that "two of the Democratic Delegates from Waukesha County to the Congressional Convention in this District have declared their determination to vote for HALE and JULIAN!" If the leaders thus early abandon the cause of PIERCE and Old Hunkerdom, how long will the "masses" stand fast?

AFFRAY IN RACINE COUNTY.—An affray occurred at a ball given at L. Secor's Tavern in Racine County, on Friday evening last, during which a man named MILLER inflicted several severe, and it is featal wounds, upon Dr. SECOR, with a knife. Miller is under arrest, awaiting an examination.

THE SEASON AT SARATOGA.—The number of visitors during the past season at Saratoga Springs has been very large. The Saratoga *Whig* makes the number of strangers at the various hotels and boarding houses, during the 64 days from June 18 to Aug. 30, amount to nearly 30,000.

RAILROAD MEETING AT DELAVAN.—A meeting is to be held at Delavan, Walworth County, on the 20th, at 1 P. M., to discuss the expediency of measures in aid of the R. R. U. V. Railroad, and the road from Racine west to the Mississippi.

☞ The Steamer *Asia*, which sailed from New York on the 8th instant, took out $756,448 in specie.

☞ Hon. Charles Durkee arrived at home last Thursday, in good health. He will address his fellow-citizens in different parts of the District, at times and places hereafter to be announced.—*Free Democrat.*

Correspondence of the Sentinel.

Bolting in High Places.

MIDDLETON, DANE CO., Sept. 8, 1852.

Dear Sir:—I noticed some *home* questions in a late number of your paper, in relation to bolting—one or two of which were addressed particularly to Mr. Brown, of the *Argus* and *Democrat*, of Madison. The following facts may be relied upon as *correct*, and show how very consistent the charge of bolting comes from that quarter, when applied to Democrats who will not sustain a mere party Judicial ticket.

In the spring of '48, the democracy of this county nominated Simeon Mills for the State Senate. Mr. Brown not only bolted the nomination, but refused to place his name at the head of his paper.

In the fall of the same year, the democracy nominated E. B. Dean, Jr., for the Senate, A. S Wood for the Assembly, and a full county ticket. Mr. Brown bolted the nomination of Dean, and went in for Col. Alexander Botkin; bolted A. S. Wood and went in for J. W. Bird. He also bolted most of the county nominees, and advocated among others, the election of W. W. Wyman, of the *Express*, for Treasurer, over Ed. Campbell.—This bolt of Mr. Brown went to the extent of his taking the field in person to defeat most of the Democratic ticket. As a Presidential canvass was pending, and a U. S. Senator was to be elected by the Legislature that season, that bolt can scarcely be considered an example worth following by sticklers for strict party usages. There was no pretence that the nominations were not all fairly made.

At the last election for U. S. Senator, Henry Dodge was duly nominated by a clear majority of democratic votes. The Legislative caucus was held on Saturday evening. On the next (Sunday) evening a secret caucus to break up the nomination was held at the U. S. Hotel. Mr. Brown was present, and took a part in that caucus. Had it been possible for that body to agree, Gov. Dodge would probably have been defeated.

These, sir, are only a few samples. Party discipline has been fiercely urged, whenever candidates were of a certain stripe. In other cases, bolting followed almost of course. Now every democrat who does not recognize partizanship as the sole test of fitness for the Bench, is a "sore head," and "no democrat." Had Mr. Hubbell been put in nomination, another song would have been sung, and bolting would have been advocated, as it was openly threatened in Convention.—But we backwoodsmen are not to be humbugged; we are going to sustain the Independent Judicial ticket, and the election will show who the sore-heads are. Yours, W.

For the Daily Sentinel.

ALLEN'S GROVE SCOTT CLUB.

At a meeting held pursuant to notice at Allen's Grove, Saturday, Sept. 4th, for the purpose of forming a Scott and Graham Club, Julius A. Treat, Esq., was called to the chair, and J. S. Curtiss appointed Secretary.

After an eloquent address from Henry Burlingim, Esq., of South Grove, a committee appointed for the purpose, reported a set of resolutions for the government of the Club, which were accepted, adopted, and signed, by the members of the Association. Among the number, we had some four or five prominent Democrats, who declare their unalterable determination, to vote for Scott and Graham.

The following named gentlemen were elected as officers, viz:

For President—Dr. J. C. Allen.

For Vice Presidents—Henry Burlingim, Julius A. Treat, Noyes Bennett, Henry Van Horn.

Corresponding Secretary—Jacob S. Curtiss.

Recording Secretary—Wm. T. Allen.

Executive Committee—David W. Baldwin, Geo. Densmore, J. H. Roberts, P. W. Smith, E. P. Teale, H. M. Allen, Fr'ck Lyman, James Connelly.

On motion, it was resolved that the proceedings of this Association be published in the Milwaukee *Sentinel*. After two or three spirited songs from the Allen's Grove Glee Club, and three hearty cheers for Scott and Graham, Association adjourned.

JACOB S. CURTISS, Secretary.

Teachers' State Convention.

In accordance with a notice previously given, the Teachers of different parts of the State of Wisconsin met in the city of Racine, Aug. 31st, for the purpose of taking into consideration the propriety of calling a Convention of Teachers for the State of Wisconsin.

The Rev. A. C. Barry was called to the Chair, and R. Baker chosen Sec'y.

The meeting then listened to remarks from a number of teachers present, and to communications from others in different parts of the State.

After due consideration, a committee was appointed to draft a *call*, which was soon reported to the meeting.

Report is as follows:

Resolved—that we, the undersigned, teachers and friends of Education of the State of Wisconsin, believing that the interests of Education require a greater concert of action on our part, would respectfully name *Elkhorn* as a suitable place, and the 20th and 21st of *October* next, as the proper time for holding a Convention for the purpose of organizing a State Teachers' Association, and to transact any other business pertaining to the interest of Education.

M. W. CARROLL, Ch'n.

On motion of A. Tibbets, the call was unanimously adopted.

Resolved, That this meeting urge upon the Superintendents of each town, Teachers and others throughout the State, friendly to the cause of Education, to organize *Local Committees* in their different localities, for the better carrying into effect the objects of this call.

Resolved, That W. O. Dustin, of Burlington, A. Tibbets, of Racine, and B. C. Rogers of Elkhorn, constitute a Committee of Arrangements to confer with teachers in different parts of the State.

Provisions will be made for addresses from different individuals and for the free entertainment of all who may attend.

INDEPENDENT JUDICIAL CONVENTION.—We publish to-day the proceedings of the independent Judicial Convention at Madison on the 1st, and put among the list of candidates whom we intend to support the names presented to the people by that Convention. They are,—for Chief Justice, EDWARD V. WHITON; Associates, MARSHALL M. STRONG and JAMES H. KNOWLTON. In location, as in politics, the candidates are fairly distributed, MR. KNOWLTON being a Locofoco from the West, MR. STRONG a Free Soiler from the East, and MR. WHITON a Whig from the centre.

Our opinion of Mr. WHITON, and anxiety for his election, our readers all know, and we are free to confess that among the remainder of the names mentioned in connection with the Supreme Bench, there were none whom we would more willingly have seen selected than that of Mr. STRONG. Mr. KNOWLTON we know little of, and in anticipation of his probable nomination had partially concluded that we should supply his place on our own ticket with that of one of the other two candidates for associates. But there are objections to both of them,—serious and weighty objections,—and we have concluded that in all points of view, from what we can learn of him, he is the most unexceptionable man, and most worthy of the place.—We have, accordingly placed the whole ticket at the head of our column.—*Beloit Journal.*

APPROPRIATIONS FOR WISCONSIN.—The following items for this State, are to be found in the law making appropriations for Light Houses, Beacons, Buoys, &c,

For spar-buoys at the entrance of Neenah or Fox river, five hundred dollars.

For a light-house at the northern outlet of Winnebago lake, five thousand dollars.

For the removal of the light-house at Milwaukie, and rebuilding the same at and on the north point of Milwaukee Bay, five thousand dollars.

Proceedings of Common Council.

SPECIAL MEETING.

SATURDAY, Sept. 11, 1852.

Roll called.

Present—Ald. Brown, Foote, Heubschmann, Hickey, Neustadtl, Prentiss, Reed, Roesbeck.

Absent—Ald. Dousman, Fishback, Johnston, Martin, Peck, Vliet, West.

Mayor Crocker stated that this was a special meeting, called for the purpose of considering the subject of levying the taxes for the ensuing year.

Ald. Heubschmann reported, from the Finance Committee, in favor of levying the taxes in accordance with the estimates of the Comptroller.—The Comptroller recommends that ¾ per cent be levied for general city purposes, and ¾ per cent for old debt—also for the 2d 4th and 5th wards 1 per cent each for ward purposes, and the other wards in blank.

The report of the committee was put in form of a resolution, levying taxes as above. The blanks in the wards were filled so as to make the resolution read as follows:

First ward, ¾ per cent; Second ward, 1 per cent; Third ward, 1 per cent; Fourth ward, 1 per cent; Fifth ward, 1 per cent:

The report was further amended so as to levy a tax of 1 mill on the dollar on the 1st and 3d wards for the Cherry street bridge.

Also so as to levy on the lots mentioned in Sect. 23 Chap. 8 of the charter, 4 mills on the dollar, half for general city and half for ward purposes.

The resolution thus amended passed.

Ald. Prentiss presented an ordinance permanently establishing the grades in the 1st ward. Read first time and laid over.

Ald. Prentiss from Judiciary Committee, reported on sundry subjects;—adversely to a dog ordinance, there being a law now in force—adversely to aid by the city to sufferers by the Lake Erie disaster, there being no power given in the charter.

Ald. Brown reported in favor of granting the petition to lay out an alley in block 36. The Mayor read a communication from the Chief Engineer, proposing certain arrangements relative to Engine Co., No. 2. Referred to Aldermen Hickey, Martin and West.

Also a proposal from certain persons to rent old Engine Co. No. 2. Referred to local Committee, 2d ward.

A bill of Fratney & Hertzberg of $15,75 was allowed.

Ald. Brown offered a resolution that the Comptroller be authorized to settle the claim of J. Bertchy and Pease and Mather, on which the officers of the Fire Department have been saved. *Lost.* Ayes 7, Noes 1 (Ald. Huebschman.) Lost—not a majority. The Alderman in the negative was asked to change his vote but refused. After some discussion, an account of $5 coming in for refreshments furnished Engine Co. No. 3 at the recent fire. Ald. Huebschman suggested that the resolution restricting the amount to $5 was not passed by a sufficient vote to authorize the payment of such accounts.

Ald. Prentiss thought that the resolution referred to was only a restriction as to the amount.

The resolution of Mr. Brown was declared lost.

The account of $5 referred to, was referred to the Comptroller.

Ald. Brown presented a statement of the accounts of Neptune Co. No. 2, with an order for a balance on their Treasurer.

Sundry 1st Ward accounts were passed.

Adjourned.

THE EXHIBITION—MR. WORTABET.—We made on Saturday morning a brief mention of the clever speech made by this young Syrian traveller to those present on the evening of the Horticultural Exhibition. All were surprised to notice his self-command, somewhat unusual in so young a man, and to find how thorough a command of the English language he possesses. The tenor of his brief remarks was pleasure at being permitted to meet with and speak to an assemblage drawn together by the attractive and refining influence of flowers. His own people were called "the people who speak in flowers," so familiar are they with them, and so accustomed to use them to convey ideas. He narrated a little incident where a Turkish lady, confined in a harem, conveyed to her lover a knowledge of her situation and plan of escape, by means of flowers. He dwelt for a few minutes upon the beneficial influence which such gatherings must have upon the mind of men, immersed in business cares until he almost forgets his brotherhood, and closed by expressing a hope that he would not be forgotten by those whom he addressed, and assuring them that he should hold his visit to them among his most pleasant recollections.

There will doubtless be a large number of our citizens at the Milwaukee University Hall this evening to hear Mr. WORTABET's lecture on the customs of Syria.

THE STATE FAIR.—The Committee appointed at the meeting in Market Hall, last Monday evening, to solicit subscriptions and make other necessary arrangements for the State Fair, are reminded that a meeting is to be held at the U. S. Hotel at 8 o'clock *this* evening, to enter upon the work. It is earnestly requested that every Member of the Committee be punctual in attendance. We again publish the names of the Committee.

First Ward—E. B. Wolcott, James Johnson, Rufus King.

Second Ward—F. Heubschmann, F. Randall, J. A. Hoover.

Third Ward.—Ed. Button, W. W. Brown, J. H. Cordes.

Fourth Ward.—C. H. Williams, S. C. West, S. M. Booth.

Fifth Ward.—G. H. Walker, L. W. Weeks, S. H. Martin.

POLE RAISING.—The Wauwatosa Scott Club came in on Saturday afternoon at about 5 o'clock, with banners flying, escorting a handsome tamarack pole as a present to our Milwaukee Scott Club. Owing to some misunderstanding, our boys did not turn out in as good time or numbers to receive them as they ought—and the more shame to them, for the pole is a beauty, stout at the butt and tapering away handsomely aloft to the height of near 120 feet, and capped with a *bowl and spoon.*

About dark, the Volunteers gathered in great numbers, a bonfire was lighted, and the pole was safely raised in front of the Head Quarters, and the flag run up amid the hearty cheers of the friends of Scott and Graham.

Our Volunteers owe the Wauwatosa boys a good turn for their welcome gift, and will stand ready to settle any time.

PIERCE STOCK DOWN!—The Hickory pole which the "Pierce and King Democracy" of our city undertook to raise on Saturday afternoon, refused to be pressed into the service. When half way up the pole broke in two and came with a crash to the ground. At a late hour of the night Capt. UPMANN was seen, like Marius midst the ruins of Carthage, mourning over the wreck of Young Hickory.

BUST OF GEN. SCOTT.—Mr. S. BROOKS, a clever artist of our city, has made a statuette bust of Gen. SCOTT, which is really remarkable as a striking likeness, and as a work of art. Mr. BROOKS can furnish copies at the low price of 50 cents each.

☞ Among the passengers by the *America*, which arrived at Boston last week, was our fellow citizen, HENRY J. NAZRO, Esq, who returns in fine health, and is now busily engaged in New York, in buying his Fall and Winter stock. His friends will all be glad to see him home again.

☞ Our friend Professor HEMPSTEAD gives notice in this morning's *Sentinel*, that he is ready to resume instruction in Music. So thorough and accomplished a Teacher can know no lack of pupils.

Milwaukee Horticultural Society—Award of Premiums.

REPORT OF THE EXECUTIVE COMMITTEE.

The Executive Committee, after comparing the various reports of the examining committees, submit the following award of premiums. They wish to congratulate the Society on the success with which it has been favored thus far, in number and quality of articles exhibited, in number of persons present, and in the delightful weather which has shone upon us at each exhibition. They mark a growing interest in the Society, and an evidently increased determination to sustain it. They look forward hopefully, to a prosperous and profitable existence as a Society, trusting that no trifles will at any time be allowed to check the exertions of any member. As the months of another year roll away, they hope to show our citizens who yet refuse to believe, that this Society is doing a good thing for them.

The following are the premiums:

In regard to apples and plums, the committee who examined them state that they found it very difficult to decide among so many of nearly equal quality. The Executive Committee, who have had a general supervision over the progress of matters, willingly bear testimony to the earnest zeal with which the examining committee entered upon and pursued to the end the task of tasting the fruits presented. Doubtless, if the circumstances of the case had not prevented, the Committee on vegetables would have been equally active.

It is proper to mention that Mr. C. James of Wauwatosa presented 2 varieties of very superior apples, but not for competition.

Mr. H. Williams exhibited 24 varieties of apples, not named, and S. P. Beecher 15 varieties named.

Some of the best specimens presented were from Messrs. J. & A. Elson, and not intended for competition. They were well worthy of especial mention. A basket bouquet, contributed by Miss Ogden, and displays of flowers by Mrs. McVickar, Mrs. Ward, Mrs. Larabee, and others, are noticed, as being arranged with exquisite taste. Discretionary premiums are awarded to the first, and also to T. Hislop for his display of annual flowers.

NEEDLEWORK, PAINTINGS &C.

The Committee of ladies have awarded premiums to the following articles, presented in response to the invitation of the Society.

For a very elegant fire screen	Mrs. H. S. Nichols.

" " " in oil	Isaac Dorward.

To this latter gentleman, an artist as modest as he is meritorious, the Committee desire to return the thanks of the Society for the beautiful poem composed and dedicated to the Milwaukee Horticultural Society.

The Executive Committee invite attention to the fact that there have been exhibited to-day over 40 varieties of apples, over 20 varieties of plums and six varieties of pears all the growth of Wisconsin. Owing to the fact that a much larger quantity of fruit has been exhibited than was expected, it has been necessarily arranged in a crowded manner, so that it has not appeared to as great advantage as it ought.

The presence in the evening of Mr. WORTABET, the interesting Syrian traveller, and his remarks will be a feature of this first Annual Exhibition well worth remembering.

In conclusion, the Committee tender the thanks of the Society to the ladies who have aided in ornamenting the room and tables, to all who have lent their aid and comfort in the arrangements for the occasion, and to the public who have aided the society funds while gratifying, we hope, thier own curiosity. The liberality of the exhibitors in allowing the articles to be sold for the benefit of the Society, ought not to pass without notice. As we have promised and performed before, so we promise now, to do better at the next and each succeeding exhibition.

BY THE COMMITTEE.

FINE FRUIT.—We are indebted to Mr. EDWIN JESUP, of Summit, for a basket of very fine plums, the production of his Farm. They were received just in time to be entered for exhibition at the Horticural Society's show on Friday last, and attracted very general commendation.

Correspondence of the New-York Daily Times.

Washington, Sept. 3.

MR HUBBARD, who has been appointed Postmaster-General, is well known as an ardent original supporter of Gen Scott. Many are ready to argue from this circumstance that the President is prepared to throw the influence of his Administration in favor of the election of that candidate. It was not necessary that the Administration should give this proof of its satisfaction with the action of the Whig Convention. Mr. Fillmore has personally declared, in more than one instance, his entire approval of the couse, and his desire to see Gen. SCOTT elected. The Washington *Union* is wasting a great deal of its valuable space to prove the existence of incurable divisions among the Whigs, and derives great confidence from the presumption that the friends of Fillmore and Webster can never be brought to sanction the preference shown to their competitor. Let this last offical act of the head of the Government undeceive the *Union*, and all weak vessels on our own side. All discontent is disappearing, and in a few weeks no one person of eminence bearing the name of Whig will be found administering "aid and comfort" to the enemy, by the appearance of disaffection on the eve of an engagement. Even now the party is far better united than at this stage of the canvass in 1848.

☞ All the villages throughout the mining country are undergoing repairs. An appearance of briskness, indicates that the years of repose have ended, and that a new and vigorous period is setting in. Freedom from California excitements and the general impression of good times ahead, may account for the change.—*Grant Co. Herald.*

WORTHY OF ALL CONFIDENCE.

DR. STERM'S CELEBRATED SCOTCH COUGH CANDY.—No medicine ever invented has gained more popularity than this, nor is there any more deserving of it. There are so few compounds worthy the high merit claimed for them, that when one which is really destined to benefit the afflicted is put forth, we are slow to believe our most intimate friends, when they praise it. But Sterm's Scotch Cough Candy is sold at a price so low, it must be evident to all that if it did not sustain a good reputation, enough would not be sold to pay for advertising. Almost every person that uses this article according to direction will feel justified in recommending it to others, it needs but a small outlay of money and time to satisfy the most sceptical that it is worthy of all confidence as a remedy in diseases of the Chest and Lungs.

Price, One Dime per Roll; 3 Rolls for 25 Cents; or $1 per Doz.

A handsome engraving of the Scottish Coat of Arms, and the written signature of Hamilton Wade, (proprietor) is on the outside wrapper of each roll or package.

☞ We invite the attention of our readers to the advertisement of *Ayer's Cherry Pectoral*, in the columns of our paper, as a remedy of the first importance to the community. The certificates published in its favor are not from unknown names, but from eminent and widely celebrated men. Statesmen, Professors, Clergymen and Physicians give their strong assurance that this new medicine for the cure of pulmonary disease, can be relied on with confidence by the afflicted for relief, and we truly hope its results in our section, will sustain their conclusions elsewhere.

☞ Hundreds of our citizens complain of debility and languor of the system, derangement of the liver and stomach, want of appetite, &c.; they are frequently the result of too close application, and a thousand other causes we cannot here name; but we would say to all so afflicted Go as we have done—get a bottle or two of Dr. Hoofland's German Bitters, prepared by Dr. Jackson, and, our word for it you will be cured. We recommend this medicine knowing from experience that it is much superior to the generality of patent medicines. We would say to our readers, purchase none unless prepared by Dr. C. M Jackson, Philadelphia.

NEW YORK, JULY 12th, 1852.

THE ASSOCIATION FOR THE EXHIBITION OF THE INDUSTRY OF ALL NATIONS give notice that the Exhibition will be opened, in the City of New York, on the 2d day of May, 1853. The Municipal Authorities have granted to them the use of Reservoir Square, and they are proceeding to erect thereon a building worthy of the purpose to which it is to be devoted. The Association desire to make the Exhibition, in fact as well as in name, a Representation from other countries as well as their own, of Raw Materials and Produce, Manufactures, Machinery and Fine Arts. To this end they have made arrangements with CHARLES BUSCHEK, Esquire, late Commissioner of the Austrian Empire at the Industrial Exhibition of London whose skill, experience and high character offer the most satisfactory security to Contributors from abroad. Mr. Buschek is the authorized Agent of this Association, for all countries other than the Continent of America, and as such has received its instructions. All communications from Contributors abroad must be addressed to him at "The Office of the Exhibition of the Industry of all Nations in New York," No. 6 Charing Cross, London. He will state to them the nature of the powers given and authority conferred, and will also explain the great inducements offered by this Enterprise to European Exhibitors. This association will correspond with all persons in the United States, the Canadas and British Provinces, the West Indies, and this Continent generally, who may desire to contribute to this Exhibition. All such communications must be addressed to "THE SECRETARY OF THE ASSOCIATION FOR THE EXHIBITION OF THE INDUSTRY OF ALL NATIONS New York." The Association is now ready to receive applications, and it is desired that they be sent in immediately. Due notice will be given, hereafter, when the Building will be ready for the reception of articles. Application for the admission of Objects to the Exhibition must represent intelligibly their nature and purpose, and must also state distinctly the number of Square Feet, whether of Wall, Floor or Counter, required. Machinery will be exhibited in motion—the Motive Power to be furnished by the Association—and applications for the admission of Machinery, to be so exhibited, in addition to the general description and the requisition for space, must set forth the amount of Motive Power required. The Association deem it proper to announce that Paintings in Frames will be exhibited. As, notwithstanding the magnitude of the proposed Building, there must, necessarily, be a limitation of space, the Association reserves the right to modify or reject applications; but, in so doing, will be governed by strict impartiality, looking only to the general objects of the Enterprise. The Association also reserves the right of determining the length of time, not to exceed in any case one season, during which objects shall, severally, form part of the Exhibition. Exhibitors are requested to designate an Agent, to whom their contributions shall be delivered when withdrawn from the Exhibition. Prizes for excellence in the various departments of the Exhibition, will be awarded under the direction of Capable and Eminent Persons.—With this statement the Directors solicit the co-operation of the Productive Intellect and Industry of their own and other countries.

Milwaukee Nursery for Sale.

THE Subscribers offer for sale their NURSERY, containing 35 acres of land, with over 200,000 Fruit Trees, of from one to five years' growth, and 2 or 300 large Standard Trees of Apple Pear, Cherry, Plum and Quince, a majority of which are in bearing now, so that the quality of the fruit can be ascertained.

Similar interests elsewhere, are the only inducements we have in selling, as the business is profitable, and our Nursery stock surpasses, probably, any Nursery in the State. The Nursery is situated 2½ miles from the city, on the main Plank Road to Watertown, and a few rods from the Cold Spring House, where the State and County Fairs are to be held this Fall. If not sold by 1st November, we will offer our stock for sale at extremely low rates, and sell the land in quantities to suit purchasers.

We have also, exclusive of the above, about FORTY APPLE—THREE PEAR, and FOUR CHERRY TREES, of large size, which we will sell. Some of them have to be moved by the 15th Oct.

Any information wanted will be given by calling at the Nursery, or addressing the subscribers. Term liberal.

INCIDENTS.

The unfortunate party of Southerners, viz:—Hugh Rileigh, Misses Margeretta and Samuella Andrews, and Thomas J. Barnes, from Richmond, Va., have all died of their injuries. The former gentleman bequeathed his property to the young ladies, Misses Andrews, and in case they did not survive, Mr. Snell was to become the heir to his wealth, who, having since expired, made a will a short time before his death and bequeathed the property to his mother and brother who are now the only surviving members of the small family. Mr. Barnes was engaged to be married to one of the Miss Andrews, and all of them were on the way to Niagara Falls.

Capt. Hoyt, formerly of the steamer Oregon, who was injured, is now at his residence in Hudson at the point of death.

THE NEW LIGHT HOUSE BOARD.—The bill constituting a Light House Board, which was recently passed by Congress, authorizes and requires the President to appoint immediately two officers of the Navy of high rank, one officer of the corps of Topographical Engineers of the army, and two civilians of high scientific attainments, whose services may be at the disposal of the President, and an officer of the Navy and an officer of the Engineers of the Army as Secretaries, who shall constitute the Light House Board of the United States. The Board is to be attached to the office of the Secretary of the Treasury, and under his supervision it is to discharge all the Administrative duties relating to the construction, illumination, inspection, and superintendence of light-house, light-vessels, beacons, buoys, sea-marks and their appendages. The Secretary of the Treasury is to be *ex officio* President of the Board, which besides is directed to chose a chairman, who shall preside over its meetings in the absence of the President, and perform such other acts as may be required by the rules of the Board. The Clerk of the Treasury engaged in light house duties is transferred to the Light House Board.

The Board shall meet four times in each year, for the transaction of general and special business, each meeting to commence on the first Monday in March, June, September and December, and the Secretary of the Treasury is authorized also to convene the Board whenever in his judgment the exigencies of the service may require.

It is made the duty of the Light House Board immediately after being organized to arrange the Atlantic, Gulf, Pacific and Lake Coast of the U. S. into Light House districts, not exceeding 12 in number, and the President is authorized to direct that an officer of the Army or Navy be assigned to each district as a Light House Inspector, subject to and under the orders of the Board.

The rules and regulations for governing the light houses of the United States are to emanate from this Board, who are also directed to procure materials for the construction and repair of light houses, light-vessels, beacons, buoys, &c., by public contract. All works of construction, renovation and repair shall be made by order of the Board, under the superintendence of the engineer or other officer detailed for that purpose.

Scott and the Mileage Swindlers.

Who are the honorable Senators who are begrudging to Scott the emolument which his country, for great deeds, has bestowed upon him? They are, no doubt, persons very fearful lest a cent of the public money should be taken without adequate service! Scott's pay has been out of all proportion to his services! His ten pitched battles—his preserving peace on the Canadian frontier—on the North-eastern frontier—his saving us from civil war—his treaty with the North-western Indians—his fearless exposure of life for the good and glory of his country—his body riddled by British bullets—cost a great deal more than they are worth! Very well; let us see what his assailants charge for their services. First and foremost on the list is Mr. Atchison, of Missouri. We find that this nice adjuster of services and pay charged the Government and people of the United States, by way of constructive mileage, $1,696 for one night's rest in Washington! Gen. Scott did not receive half as much as that for battle of Chippewa—when the British were first taught to yield to inferior numbers and cold steel. Next comes Mr Borland, of Arkansas, who for just such laborious work as Mr. Atchison's, one night's quiet rest in Washington, received $1,808. No doubt, double as much as Scott got for his bloody night at Lundy's Lane. Next we have Mr. Clemens, of Alabama—he pocketed $1,040 of the public money for the same service. That was cheap. Then Dodge, of Iowa, $1,440—Dodge, of Wisconsin, $1,548—each for one night's rest. Next we have that immaculate S. A. Douglas, who is such an advocate of economy—such an abhorrer of public plunder—he contented himself with $1,048 for one night's sleep in Washington! That was better earned than the pacification of the Canadian frontier! Next comes Downs, of Louisiana, and the French Republican, Soule—one $2,240, and the other $2,074—mighty men for purity and economy! And yet they charge the people more for one night's sleep than General Scott received for five victories in the valley of Mexico!

We might extend the list—but enough has been given to furnish the reader with an idea of the sort of men who are assailing General Scott for having received public money without having rendered service for it. As to the old Hero himself, he may, in the happy and appropriate words of Senator Butler, reply to such inquires, as Scipio did to his enemies, when called upon for an audit of his account: *"This, if not the day, is the month, in which I won the battle of Zama."* There is no month in our year in which Scott could not point to some great victory over a public enemy, or some great good rendered his country.—*Richmond Whig.*

GREAT GERMAN MEETING AT LICK RUN ON MONDAY—*The German Population Resolving to Vote the Whig ticket!*—A large and most spirited meeting of the Germans of Lick Run, (one of the western suburbs of Cincinnati) and vicinity was held on Monday evening, the proceedings of which are of the most important character.

Peter Herb was chosen President, and Michael Geissler Secretary.

The call of the meeting was for the "Real Democracy." and a real Democratic meeting it was.

After able speeches from Messrs. Rehfuss, Miller, and others, a series of resolutions were presented and unanimously adopted.

The substance of one of the resolutions is that, the Germans of that portion of the city will, at the ensuing election, *vote the Whig ticket*. The reasons for this course are given. Disgusted with the secret cabals of the Miami Tribe, with the hypocrisy and double dealing of the leading politicians of the self styled Democratic party, they look upon the Whig party as the party of progress, as the liberal and truly Republican Democratic party of the nation.

Three cheers for the Germans of Lick Run!—*Cin Atlas.*

☞ Mr. Stetson of Clinton, felt called upon by this mode of suggesting names, to present the name of Judge Hall, of Clinton, who fell at the sortie of Fort Erie, it was supposed mortally wounded.—*Atlas.*

It is said that this eulogy of Judge Hall was laughably interrupted. Mr. Stetson, after dwelling at considerable length upon the Judg's wound stated, in a loud tone, that the ball which caused the wound was extracted by the gallant Sergeant Tucker. A delegate, who had heard but little of the speech, supposed Mr. S. had reached the climax, and to show his good will jumped up saying, "I second the nomination of Sergeant Tucker!" The roar was unmistakeable!—*Ev. Journal*,

By the Arctic.

AUSTRIA.—We learn from Vienna that on the 1st of Sept. the Austrian power will cease to be subjected to military authority, or, in other words, as far as the public press is concerned, the civil will supercede the military law.

Marshal Haynau has been threatened with personal violence at Brussels, Vauxhall. The military were called out, and a number who were the most violent were taken into custody. They being, however, persons of position and character, were immediately released.

Albany, Sept. 7.

THE ANTI-RENT OUTRAGE.—Governor Hunt has issued a proclamation, offering a reward of $5,000 for the apprehension of any five of the disguised assailants upon the house of Mr. Shaw, in Berlin, Rensselaer County, on Saturday last, and a proportionate sum for a less number, to be paid on conviction.

The *Freeholder* of this morning contains the following in reference to the Anti-Renters in Rensselaer County:

"Judge Harris has decided the case of the people; the opinion will be given to the public next week. It discussed at length, and with great ability, the title of Van Rensselaer to the Manor of Rensselaer, and holds it to be illegal and void; that with regard to lands which have been occupied for forty years under a title from Van Rensselaer, possession is a bar against the claim of the State; but that in respect to unoccupied lands of the Manor, Van Rensselaer has no title."

St. Louis, Sept. 6.

MISSOURI LEGISLATURE.—In the Senate, Mr. Allen presented a memorial from the Pacific Railroad Company, and the bill was referred to a Select Committee.

The House succeeded, on Saturday, in electing a Speaker, on the 49th ballot. Mr. Woodson, Whig, requested that his name should be withdrawn, which was done, and Dr. Shelby, Speaker *pro tem.*, was elected Speaker, for the Extra Session, by 93 to 24. The House then elected, for First Clerk, Mr. Houston, Bentonite; and for Second Clerk, Mr. McCracken, anti-Bentonite. All the officers were elected for the Extra Session only.

Washington, Sep. 5, 1852.

The remains of Hon. Orrin Fowler left in the 4 P. M. train to-day for Fall River, in charge of Governor Doty, Zeno Scudder and Mr. Penniman.

Truman Smith has gone to Connecticut.

Senator Mangum leaves for North Carolina on Wednesday, and intends to stump the the State

WRECK OF THE ATLANTIC.—Mr Wells of the American Express Company, yesterday morning despatched the steamer *Fox* to Long Point, provided with diving bells, marine armor and apparatus for descending to the wreck of the *Atlantic* and recovering the safe containing the money belonging to the company. Arrangements are also to be made for raising the boat, and the whole affair is under the superintendence of Mons. Maillefert of New York.—*Buffalo Express.*

☞ The independent Judical ticket is a strong one, and will no doubt win if the people stick up for their rights as independent voters. The question is, whether a combination of all the office-seekers of this State, and the patent office-hunters just stepped in, as if yesterday, from Michigan and New York, shall rule—or the people rule.—*Grant Co., Herald.*

☞ The Argus pretends to give a sketch of the life of Judge Larrabee, in which the writer makes out, that like the potato family—the best part of it is under ground.—*Kenosha Telegraph.*

CHERRY PECTORAL
For the rapid Cure of
COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND CONSUMPTION.

MANY years of trial, instead of impairing the public confidence of this medicine, has won for it an appreciation and notoriety by far exceeding the most sanguine expectations of its friends. Nothing but its intrinsic virtues and the unmistakable benefit conferred on thousands of sufferers, could originate and maintain the reputation it enjoys.—While many inferior remedies thrust upon the community, have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

While it is a fraud on the public to pretend that any one medicine will infallibly cure—still there is abundant proof that the CHERRY PECTORAL does not only as a general thing, but almost invariably, cure the maladies for which it is employed.

As time makes these facts wider and better known, this medicine has gradually become the best reliance of the afflicted, from the log-cabin of the American peasant, to the palaces of European Kings. Throughout this entire country, in every State, city, and indeed almost every hamlet it contains, CHERRY PECTORAL is known as the best remedy extant for diseases of the Throat and Lungs, and in many foreign countries it is coming to be extensively used by their most intelligent Physicians. In Great Britain, France and Germany, where the medical sciences have reached their highest perfection, CHERRY PECTORAL is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in domestic practice, as the surest remedy their attending Physicians can employ for the more dangerous affections of the lungs.—Also in milder cases, and for children it is safe, pleasant, and effectual to cure. In fact, some of the most flattering testimonials we receive have been from parents who have found it efficacious in cases particularly incidental to childhood.

The CHERRY PECTORAL is manufactured by a practical Chemist, and every ounce of it under his own eye, with invariable accuracy and care. It is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

We have endeavored here to furnish the community with a medicine of such intrinsic superiority and worth as should commend itself to their confidence—a remedy at once safe, speedy and effectual, which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with chemical accuracy, of uniform strength to afford Physicians a new agent on which they can rely for the best results, and the afflicted with a remedy that will do for them all that medicine can do.

KENOSHA WATER CURE.

DR. SEELEY has had several years experience in this mode of practice; and the universal success attending it, thus far, enables him to say with confidence to those who are seeking the recovery of their health by this efficient method of cure, that he will guarantee as thorough and judicious treatment as can be obtained at any Water-cure in the United States.

The house is sufficiently retired to make it pleasant, and commands a fine view of the Lake. The water used is soft and pure. For further information, address

THE TRIBUNE.

SCOTT Leads the Column!—Forward!

'Now, brothers, now is the hour!'

THE publishers of THE NEW YORK TRIBUNE proffer copies of their regular and full Weekly issue (eight large pages, each six columns, of Literature, Politics and News,) for the remainder of the Presidential Campaign, commencing with the 6th of August and closing with Nov. 25th, when we confidently hope to announce their triumph,—on the following terms:—

1 copy for the 15 weeks	$0 37½
6 copies, to one address	2 00
10 copies do do	3 00
25 copies do do	7 50

Payment in all cases to accompany the order.

The selection of WINFIELD SCOTT for President and WILLIAM A. GRAHAM for Vice-President, has gratified our ardent wishes and strengthened our earnest hopes. Our conviction has long been fixed that Gen. SCOTT is the very man fitted and marked out by his heroic achievements—his inestimable services, at critical periods, in preserving our National tranquillity and preventing the effusion of blood—by his unquestioned integrity, his self-devoting patriotism, his unsectional position and his humanity—to unite the Whig Masses in one enthusiastic, invincible host and lead them on to victory. So believing, we have labored and hoped for his nomination, and we now confidently look to the result to justify our sanguine anticipations.

THE TRIBUNE, standing on its own Platform and knowing no other authority but truth, will do its utmost for the election of SCOTT and GRAHAM; but it will not be absorbed by Political discussion. We have chosen to proffer Campaign subscribers a large sheet rather than a small and cheaper one, because the postage is the same, and because we wish to extend the knowledge of what THE TRIBUNE habitually is. The letters of our Associate, BAYARD TAYLOR, who next writes us from Syria, the ruins of Nineveh, Constantinople, &c., will appear every week, with reviews of new Books, Proceedings of Congress and the general Foreign and Domestic News of the Day. If there is another journal in America more valuable or interesting than THE TRIBUNE, it is not because more money or labor is spent thereon.

All the Editions of THE TRIBUNE are printed in large Quarto form, on a sheet 31 by 42 inches, showing eight large and compact pages of reading matter. About half the Daily is devoted to Advertisements, very few of which appear in our other issues. No ten dollar daily in the world contains more reading matter than THE TRIBUNE, which is afforded at $5 per annum, or $1½ for three months.

SEMI-WEEKLY TRIBUNE:
One copy (per annum) $3; Two do. $5; Ten do. $20.
WEEKLY TRIBUNE:
One copy (per annum) $2; Three do. $5; 8 do. $10; Twenty do. (to one address) $20.

⁂ Payment is in all cases required in advance.

Subscriptions for THE CAMPAIGN TRIBUNE, or either of our regular issues, are respectfully solicited. All notes of specie paying banks taken at par and may be remitted at our risk. Please address

Also, for disinfecting the bodies, clothes, and trunks of persons who are in or have been in the atmosphere of infectious diseases.

THE WORLD'S FAIR
PREMIUM SAFES.

Green Block, Water St.,
(Between Maiden Lane and Wall Street,)
NEW YORK.

THE SUBSCRIBER PLACED HIS FIRE AND BURGLAR-Proof Iron Safe in competition with the whole world at the great Exhibition in London, for which an impartial jury awarded a medal.

The American Fair, held last fall at Castle Garden, also awarded to him a gold medal for the best Fire-Proof Safe, and he has never failed to obtain the highest premium when his Safe has been put in competition with others for that purpose. Certificates have been received from the following well-known mercantile houses, who have had their books, papers and money preserved in these superior Safes within the last thirty days, (and can, with many others, be seen at my store,) viz: Messrs. Stillwell & Montross, and Mr. J. L. Watkins, in the Fulton Street fire; Messrs. Fisher & Robinson, and Messrs. John Lockwood & Co., in the great fire corner of Liberty and Nassau Streets, and Messrs. Proud & Bowman, in Jersey City.

I am the proprietor of HALL'S PATENT LOCK, which obtained a medal (in the name of Adams & Co., Boston,) at the World's Exhibition, and is considered the best Lock for the price, ever invented, being proof against powder, and the Key is no larger than a cent, and can be made changeable.

I invite all purchasers to a close and careful investigation before purchasing, and decide for themselves, who makes the best Fire, Burglar and Damp-Proof Safes combined.

THE MANHATTAN SOUVENIR,

written in the most elegant style of Literature, combining, in the most attractive manner, business and instructive Literature; as a "Vade Mecum," from which advertisers can cull new and beautiful ideas for the formation of their advertisements, it cannot be excelled.

It was originally got up for subscribers at $10 each, for their card it contained, and distributed gratuitously, but the demand for it has since been so rapidly increasing that the publisher has been induced to issue a second and third edition, which he now sells at 50 cents per copy.

IMPORTANT TO THE PUBLIC!

THE following advertisement was published in May, 1849, in the "Boston Daily Times," and various other newspapers in the United States, by James G. Wilson, Esq., the owner of the "Woodworth Patent," shortly after I had advertised my "PATENT STATIONARY CUTTER, PLANING, TONGUEING, AND GROOVING MACHINE," throughout the United States:

"PLANING MACHINES.

"I take this method of answering the frequent inquiries, by letter and otherwise, as to my opinion of the various notices through the papers, of the Stationary Knife Planing Machines attempted to be palmed off upon several persons ignorant of their true worth. I would state for the information of the enquirers that they will find substantially the machine now offered by several pretending inventors, described in the 10th volume of the Repertory of Arts, invented by Samuel Bentham, in the year 1791. A like machine was patented in this country by one Kepler, some sixteen years since, and another one put up by Albert Richards, of West Troy, N. Y., and abandoned about the same time. It ought to satisfy the public to know that after fifty eight years experimenting upon these machines, not one in use is of any value for the purposes contemplated.

I will furnish a Stationary Knife Machine equal to any now in use, or to any offered by the pretending inventors, at the cost of the machine and five per cent for my trouble.

JAMES G. WILSON.
May 10, 1849. Philadelphia."

I deny that any person ever saw or heard of such a machine as mine until I invented the same. Said machine was operated in the month of August, 1848, and no machine before this could do so much work, and do it as well as mine. In reply to the above advertisement, and in order that the public may be assured that I mean what I say, I will offer to pledge ONE THOUSAND DOLLARS against an equal amount from said Wilson, that ONE of my machines will plane, or plane, tongue and groove with less power, as much lumber in the same time, and do it as well, or better than TWO of the "Woodworth" machines. The trial to be made at my Steam Mill, Border St., East Boston, Mass., or at such other place as may be convenient for such a trial.

JOSEPH P. WOODBURY,
August 20, 1851.-dly East Boston, Mass.

HAWKINS'
STAVE DRESSING
MACHINE.
PATENTED JULY 22, 1851.

THIS machine is now in successful operation at the shop of Wm. Hawkins in this city, and will dress Staves for

Packing, Flour and Whiskey
BARRELS,

and PIPES or HOGSHEADS, at the rate of

600 Whiskey or 800 Flour Barrel Staves
PER HOUR,

straight, winding or crooked. In fact, any stave that can be worked by hand will be dressed by this machine, either for tight or slack work, from 22 inches to 72 inches in length, of any reasonable width, and *to any requisite bilge,* and in the most perfect manner. The stave passes through the machine a single time, is dressed by rotary cutters and is then ready for the truss hoops. The dressing of the sides and jointing of the edge of the stave is performed perfectly. The machine is made of iron, is strong and durable, and is not difficult to keep in good order for use. Six horse power is sufficient to drive the machine with all the speed necessary.

The Subscribers having purchased of Wm. Hawkins the patent right for the United States are prepared to sell rights for States, Counties, or for running single machines and to furnish and set up the machines, warranted to perform perfectly. In the great saving of expense of transportation of dressed over the rough stave, the rapidity and perfect manner with which it performs its work, constitute the value of this machine.

Satisfactory testimonials can be furnished if desired.

RADWAY'S READY RELIEF,

IT WILL STOP
THE MOST SEVERE PAINS
IN A FEW MINUTES, AND CURE THE MOST OBSTINATE AND TORMENTING RHEUMATIC, NEURALGIC AND NERVOUS COMPLAINTS
IN A FEW HOURS,
INTERNAL AND EXTERNAL.
IT WILL STOP
THE MOST EXCRUCIATING PAINS,
IN FROM THREE TO FIVE MINUTES!
AND HAS CURED

Rheumatism	In Four Hours.
Neuralgia	In One Hour.
Croup	In Ten Minutes.
Diarrhea	In Fifteen Minutes.
Toothache	In One Second.
Spasm	In Five Minutes.
Cramps	In Five Minutes.
Sick Head Ache	In Fifteen Minutes.
Chill Fever	In Fifteen Minutes.
Chilblains	In Five Minutes.
Sore Throat	In Four Hours.
Influenza	In One Hour.

SPINAL COMPLAINTS, STIFF JOINTS, STRAINS, BRUISES, CUTS, WOUNDS, FROST BITES, CHOLERA MORBUS, DYSENTERY, TIC DOLOREUX, and all other complaints where there is severe pains, RADWAY'S READY RELIEF will instantly stop pain, and quickly cure the disease.

THE HUMAN FRAME

Is the most perfect masterpiece of mechanism in the universe. Every artery, muscle, ligament and bone, exhibits in its formation the wisdom of the Deity. Every joint and sinew works harmoniously with each other, and upon the natural performance of every function depends the healthful action of the whole.

PAIN

Disorganizes the whole system, it prostrates the nerves, it relaxes the muscles, it weakens the joints, it interferes with the functions of every organ, it checks the free and healthy circulation of the blood, it paralizes the absorbents, and renders them unable to take up and replace the wasted form with sound material. From the very moment that this beautiful masterpiece of God becomes afflicted with pain, the influence is experienced throughout the whole system, no matter in what particular locality the pain may originate; whether in the Head, the Feet, the Back, the Knee Joints, the Elbows, the Teeth, the Gums, or the Stomach; whether it arises from internal derangement, or is the result of external injuries, still the pain exercises its influence throughout every portion of the human system.—Not a nerve or a muscle escapes its prostrating influence.

INSTANT RELIEF FROM PAIN

Is the great desideratum of every individual who suffers its tortures, no matter how light or severe its paroxysms may be. No one can feel happy while suffering its torments.

RADWAY'S READY RELIEF
In a few seconds
WILL STOP THE MOST DISTRESSING PAINS.

Its effects are like electricity; it arrests the most distressing pains in a few seconds, its soothing, neutralizing and healthful influences thrill through every minute cell, membrane, and establishes the secretion of every gland in the system, subduing the most excruciating paroxysm of pain, and imparting strength and vitality to every organ.

NEURALGIA.
PAIN STOPPED INSTANTLY.

Radway's Ready Relief possesses an almost miraculous influence over the sharp darting pangs of pain of this cruel complaint. In a few minutes the pain-stricken sufferer experiences the delightful sensations of departing pain. It has cured thousands of cases in the city of New York, where many of them had been brought almost to death's door. The effects of the Ready Relief is to stop the pain immediately, to strengthen the nervous system, and supply the nerves with nervous energy and vitality, the loss of which is the chief cause of nervous pains.

DANGEROUS PRACTICE.

The use of Morphine, Strychnine, Aconitine, Belladonna, Arnica, and other poisons are not only dangerous but cruel. The effect of these poisons is not to cure the disease, or to remove from the system the pains, *but to deaden the nerves, to weaken and stop the nervous energy, to paralyze the functions of the nervous system, and to destroy sensation.*

If this practice is continued for any length of time, the patient will not only waste away, but the brain will become paralyzed, and the intellect destroyed.

RADWAY'S READY RELIEF
IS FREE FROM MORPHINE,

And all other dangerous and narcotic influences. To the weak and paralyzed nervous system it imparts life instead of death, and the pain is stopped by the healthy influence which Radway's Ready Relief imparts to the nerves, instead of the lifeless, sleepy and paralyzing effect which Morphine, and all other preparations containing this poison, produces on the system.

SICK HEADACHE.

BEAUTY.

Complexion richly tinted with the bloom of health,
With skin as pure and fair as Parian marble,—
Soft and sweet as the fragrant rose—
Teeth as sound and white as alabaster,
Breath of sweetest fragrance, and lips of coral tint,
With flowing ringlets and glossy locks,
Luxuriant tresses dancing gracefully o'er the swan like neck.
No dark repulsive spots to mar the pleasing picture,
Or to cast dull shadows o'er beauty's master piece.

RADWAY'S MEDICATED SOAP.

Composed of the most delicious, rare and fragrant gums,
Of extracts, oils, and costly essences—
Of flowers, roots, trees, and oriental plants,
Possessing wondrous virtues o'er skin diseases.

TO THE COMPLEXION IT IMPARTS BEAUTY.

By cleansing the skin from all eruptive matter,
Makes clean the pores, gives action to the capillaries,
By which all poisonous humors are ejected,—
And a healthy action to the skin restored,
To the teeth it gives whiteness and prevents decay,
It makes the skin soft, sweet and smooth,
Transforms the most repulsive and disfigured visage,—
To a clear and beautiful complexion.

RADWAY'S CIRCASSIAN BALM.

Imparts nutriment to the hair,—
Makes it strong, glossy, rich and luxuriant,
Cleanses the scalp from dandruff,—gives action to the bulbs,
Fastens the hair upon the scalp, and forces it to grow—
Like guano to a barren soil, it makes it rich and productive.—
To dress the hair, make it smooth and glossy,—
Strong and beautiful, &c.

Radway's Circassian Balm is the "ne plus ultra."

DR. HOOFLAND'S CELEBRATED GERMAN
BITTERS,
Prepared by Doct. C. M. Jackson,
AT THE GERMAN MEDICINE STORE,
120 Arch-st., Philadelphia.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skillful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

READ AND BE CONVINCED.
[From the Boston Bee.]

The Editor said, Dec. 22: "Dr. Hoofland's celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration. They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."

SCOTT'S WEEKLY.

One of the best literary papers published, said, August 25: "DR. HOOFLAND'S GERMAN BITTERS, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitution will find these Bitters advantageous to health, as we know from experience the salutary effect they have upon weak systems."

The Daily Sun says:—"It is one of the best medicines of the age for Jaundice and Liver Complaint."

Neal's Gazette says:—"Dr. Hoofland's German Bitters we know to be an excellent article, fulfilling in every respect what is claimed for it by the advertiser."

The Evening Bulletin says:—"The celebrated German Bitters are said to be an invaluable remedy for Jaundice, Dyspepsia, and Nervous Complaints."

The Daily News, July 31, says:—"A Medicine'—We speak knowingly of Dr. Holland's celebrated German Bitters, when we say it is a blessing of this age, and in diseases of the biliary, digestive and nervous systems, it has not, we think, an equal. It is a vegetable preparation, and made without alcohol, and to all invalids we should recommend it as worthy of their confidence."

The Dispatch says:—"As a medicine for Liver Complaint, Jaundice, Nervous Debility, and Dyspepsia, it has been found invaluable, effecting cures, and thoroughly eradicating disease, when all other medicines have failed."

That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate. They can be administered to Females or Infants with safety and reliable benefit, at any time.

LOOK WELL TO THE MARKS OF THE GENUINE.

They have the written signature of C. M. JACKSON upon the wrapper, and the name blown in the bottle, without which they are spurious.

A Word of Caution to the Public!

Dealers in Pain Killer are cautioned against buying or selling a spurious article of Pain Killer, manufactured by White & Co. of Buffalo, which is a worthless imitation and the pamphlets a "base forgery" which will appear by comparing them with the Genuine. "The certificates are copied verbatim." The proprietor of the Genuine Perry Davis' Pain Killer will prosecute any person, engaged in selling this spurious article, and is determined to protect himself and the public from this "infamous fraud." Many unprincipled persons, to deceive the public, and for the sake of gain, have applied the name Pain Killer or something similar to their own compounds such as Pain Destroyer, Pain Killing Compound, a real Pain Killer, &c. &c. all of which have been got up on the reputation of Perry Davis' Pain Killer. The public are cautioned against these mixtures.
